

Adult Summer Art Lessons

Two summer sessions to keep you occupied and learning!

If you have never drawn or painted before, or even if you love it but would like to increase your skill and knowledge, please consider the benefit of attending one or both of my classes! The first session will focus on increasing drawing skills: a fundamental to all artmaking (yes, even when it comes to craft) and design. The second session will delve into oil painting in a way that's sure to blow your mind: learn the concepts of mixing and pairing colors, how to create a layered, dynamic painting, and create a master copy worthy of a museum. Sign up for just one session, or sign up for both. Let us know if you'll be joining! Each session is three days, and each day runs from 5.30 to 8.30pm.

Bring wine, or your favorite drink of choice, and we'll uncork a few to share!

Sessions will be held in the Somerset neighborhood, meeting at the house of Vincent and Dawn Wang. See sign-up sheet below for more details. Whitney Goller is a professional artist who teaches at East Tennessee State University and Tusculum College. These lessons are for adults.
